### SHBC Car Care Clinic Volunteers Needed

Our Car Care Ministry seeks to help people in need who have no other place to turn. This ministry is coordinated by a team of faithful volunteers at Southern Hills Baptist Church and is to assist individuals and families by providing basic transportation with minor car repairs.

Services provided are minor car repairs by appointment only and are evaluated in advance. All automobile owners must fill out a "Car Care Application" form and turn it into Southern Hills administration office. Application forms are available in the office or online at shbctulsa.org A Car Care Ministry team member will contact the car owner for an interview, determine if the repair is something our team can accomplish, and then set an appointment.

The automobile owner is responsible for the cost of any parts needed and the labor is provided for free. All services are performed on the 3rd Saturday of each month from 8am - 12pm (by appointment only).

*We can use more administrative help, help running errands, and more mechanics. To find out more please call, 918.743.8897.*
