- ♦ *Bob & Paula Wise on the birth of granddaughter, Harly, on September 16.*

Thank You to our church family . . .

My family and I want to express how very grateful we are to each and every one of you. Through your support the Lord has lifted our heads over and over to see His love and faithfulness. Your prayers and support have been the most beautiful expression of why the Lord desires His children to be connected to one another. You didn't miss a beat. From the first minute, we have been showered with cards, flowers, food, prayer, guidance and most of all open arms and an ear to just listen. I also want to thank you for being a family that feels safe. Safe to grieve without the fear of being 'fixed'. Safe to weep, without being told to be strong. You are more than my church family. You are truly my brothers & sisters in Christ. Please continue to lift me and my family up to our Father. He is more than we ever hoped He would be. And you my friends, are honestly more than I ever dreamed I would find at church. My heart says thank you. May He continue to bless you as you serve as His hands and feet.
